Cantina Rooftop

Sarah Jessica Parker, P. Diddy, and Alicia Keys are among the fans of Stage 48. Perched above the nightclub is Cantina Rooftop, a traditional Mexican restaurant and lounge. The opening featured a bevy of beauties from Dale Noelle's TRUE Model Management, poker queen Beth Shak, celebrity dermatologist Dr. Kenneth Mark and event planner Andrea Correale. In addition to his authentic Mexican menu, Chef Gonzalo Colin's sexy new space will feature homemade guacamole and taco stations.
