Spring into rooftop season at these top spots

Celebrate rising temperatures and changing seasons with brunch, happy hour, a dinner date or a nightcap under the stars at these rooftop restaurants and bars. Some seasonal spots reopen after winter and others debut, such as AIRE Rooftop Bar in Chicago and Rock & Reilly's in New York City. From east to west, browse the gallery above to explore where you can dine or sip al fresco with aerial views across the country this spring and summer.

Rooftop restaurants and bars

New York City's Cantina Rooftop offers vibrant Mexican fare from executive chef Gonzalo Colin with a live comal on top of Stage 48 in Midtown West. [Cantina Rooftop](#)
