

## TIME FOR SAUL FOOD

● Mexican chef **Saul Montiel**, who has cooked privately for **Justin Bieber** and **Taylor Swift**, is the new executive chef at **Cantina Rooftop** on W. 48th St. The Hell's Kitchen hot spot, which has a view of the Manhattan skyline, will reopen April 18. Montiel hopes to bring the flavor of his Mexico City restaurant Unico to Manhattan by having his sous chefs make tortillas on an outside grill, while servers make tableside guacamole.
